## MARCH 2004

Volume 1 - Issue 3

### Colonel Hawkins message

This issue does not have a message from Colonel Hawkins because he is currently on his way to Iraq. You can look forward to hearing from him in the next issue!

Instead, here is a quote that sums up the way Colonel Hawkins feels about family:

Lyndon Baines Johnson

The family is the corner stone of our society. More than any other force it shapes the attitude, the hopes, the ambitions, and the values of the child. And when the family collapses it is the children that are usually damaged. When it happens on a massive scale the community itself is crippled. So, unless we work to strengthen the family, to create conditions under which most parents will stay together, all the rest — schools, playgrounds, and public assistance, and private concern — will never be enough.

It cannot be inherited  
nor can it ever be purchased.  
You and no one alive  
can buy it for any price.  
It is impossible to rent  
and it cannot be lent.  
You alone and our own have  
earned it with your sweat,  
blood, lives, and yes, tears.  
You own it forever.
